Save up to 25% on selected Spring walking holidays in Scotland

During April and May enjoy savings of up to 25% on selected [guided walking holidays](#) amid Scotland's magnificent countryside courtesy of **HF Holidays**, the UK's largest walking and leisure activity holidays company.

There's a choice of three guided walks each day to suit ability and the holidays are based at the company's Country Houses at Alltshellach – situated on the shores of Loch Leven in the Western Highlands – and at Altachorvie on the Isle of Arran's east coast, with superb views across Lamlash Bay to Holy Isle.

At Altachorvie, for example, a four-night break starting 12 April now costs just £225 (saving £71), whilst five nights starting 3 May is reduced to £392 (saving £97).

Walking options combine the beautiful coastline and moorland with mountain summits and highlights include the standing stones at Macrie Moor, Goatfell – the highest point on the island – and the granite ridges in the north of the island.

Or at Alltshellach, the revised cost of a seven-night holiday starting 17 April is £459 (saving £50). Here the walks take in the best mountain and lowland scenery with highlights such as the valley of Glen Coe, the remote Ardgour peninsula and the Munro summits including Ben Nevis.

All prices are per person, based on two sharing and include full-board en-suite accommodation, transport to and from the walks, the programme of organised walks and social activities, plus the services of an HF Holidays' walks leader.
